

# Midterm Report

## Topics:

1. Lowpass Filter
2. Bandpass Filter
3. Highpass Filter
4. Bandstop Filter

## Grading Details:

1. Evolution of the chosen filter technology
2. Contents of the topics
3. Slides & Presentation

## Note:

Each group chooses two topics in advance and places them in order. The reported topic for each group will be announced next two week. The priority is based on the time you mail the teaching assistant. Please list all the student ID of your group in the mail.
